

CampusPay for Non-Tuition Payments

Make Non-Tuition Card Payments Easy

Gain the advantage and added support of a single payment processor, simplify processing fees, and reduce reconciliation complexity for all your non-tuition payment services.

Simplify your ACH and card payments for your non-tuition payments. CampusPay provides you a highly secure payment processing approach that allows you to work with one partner for all your backend reconciliation needs.

Compliments eMarket solution

Eliminates the need for managing fee reconciliation from ACH and card payments

Includes management of chargebacks and refunds to streamline operations

Saves time reconciling accounts and coordinating with multiple banks and services

Includes a single toll-free customer service number

One interchange rate makes it easy for all your non-tuition card payments.
