

CampusPay for Tuition Payments

Make Accepting Tuition Card Payments Easy

Realize the benefits of having a single payment processor with a single point of contact for payment support, fee processing, and reconciliation.

CampusPay provides you highly secure payment processing with a single partner to manage all your backend reconciliation needs and simplify your ability to accept ACH and cards for all your tuition payments.

Supports ePayment and Payment Plans

Eliminates the need for managing fee reconciliation from ACH and card payments

Provides a single point of management for chargebacks and refunds

Streamlines reconciliation of accounts and saves time coordinating with multiple banks and services

Security, convenience, and simplicity of a single payment processor
